Join the Great Village Spring Clean

Saturday 23rd March

2.00pm at the Three Horseshoes

Equipment will be provided but bring gloves, bin bags and hi-visibility jackets if you have them

Parish Councillor, Phil Jefferson, says "We want as many people, of all ages, to come along and help clear-up the litter that has accumulated in our village over the winter months. We're hoping for a great village turn-out, a real village event."

Phil adds "This '*Village Voice*' initiative will help to improve the street scene throughout the length and breadth of our village."

Take a look at this photo of the last Spring Clean. What a turnout. If you were there, we'd love to see you again on the 23rd, if not, don't miss it this time round!
