

Hello my name is Gemma Humphreys, and in October I will be travelling to Tanzania as a volunteer for ICS Raleigh. Whilst in Tanzania I will be living and working in the local rural community on projects that are aimed to reduce poverty. The projects I will be working on are called “WASH” and “Livelihoods”. One is aimed at improving the access to clean water and sanitation and the other involves helping set up businesses for young people and women in particular.

Part of my ICS programme is that I need to fundraise £1,500 before I go; this money goes **towards to projects** that I will be helping with and **NOT** the cost of flights, vaccines etc.

I will be arranging a few events over the next couple months to help me reach my target and I also have set up a just giving page which is <https://www.justgiving.com/fundraising/gemma-humphreys1>

I would be very appreciative of any donations people may kindly pledge, the money will go directly towards the good work of Raleigh ICS.

I have attached a confirmation letter from Raleigh ICS on the following page.

Thank you so much for taking the time to read this and if you have any further questions please do not hesitate to contact me by email to gs.humphreys165@gmail.com

Gemma Humphreys

Thank you for your support

Raleigh International is a sustainable development charity. We challenge and inspire young volunteers to work with communities living in poverty. Your donations will help us continue to transform lives and empower youth to bring about lasting change.
