

CHAPMANSLADE PARISH COUNCIL

Dear Residents of Chapmanslade,

CORONA / COVID-19 VIRUS

Following my earlier letter, I am very pleased in the way that Chapmanslade Villagers are looking out for each other. There are many stories of you helping out others & generally keeping up morale.

Well Done!

It is clear that the crisis is affecting some more than others and as such our "Chapmanslade Covid-19 Action Group" have requested our help to fund food boxes for the vulnerable within the village who are unable to get out to the shops, together with those that are struggling financially to purchase their own food.

So, we are asking for donations of money to purchase food boxes for £15.00 each. (All contributions - of any amount - are welcome). This is a very worthy cause and would ask you to dig deep to help. I am heartened by the response so far - even before we launched the appeal, we had pledges of **several hundred pounds**. I am very pleased, but not surprised - it is a wonderful village we live in!

To make a donation, please contact either of:

- Ian Buick on: 01373 832318 OR: ibuickuk@gmail.com
- Keith Muston on: 01373 832755. OR: themustons@btinternet.com

If emailing, please type "**FOOD BOXES**" as the subject of your email. -

Thank you!

I know you will help with this (if you can) at the same time as carrying on with all of the "Good Neighbour" work to relieve isolation and help where required. If you need help yourself, please call the action group direct on 07964 880841

Don't forget:

- A friendly phone call to those isolated will be appreciated
- If you are going to the shops - do any neighbours need supplies?
- Offering to collect medications
- Keep safe!

With best wishes

Yours sincerely,

John Lewis

Vice Chairman - Chapmanslade Parish Council
