A 19 year old male from Warminster has been interviewed regarding these offences. The investigation is ongoing. The Investigating Officer is Local Crime Investigator Angela Dowsett. Youth Anti-social Behaviour and Crime – You may have seen a recent post on the local Police social media sites my concerns about a small group of youths coming to Police attention and committing theft, minor assaults and anti-social behaviour.

We are working with Parents, Social Services and Youth Offending teams across West Wiltshire to identify all the children involved in this, and can assure residents that we will deal with these incidents robustly.

This last monthly we have removed alcohol, tobacco, cannabis and stolen items from children. We would ask that you speak to your children to make them aware of our concerns and help them make the right choices.

HIGH LEVEL PCC UPDATES

- **Pay increase** - Police Officers are to receive a 2.5% pay increase as agreed by the Government. This is welcome news and well deserved, I only hope that the same increase is also afforded to police staff as well. However, it is expected that we will have to meet this increase from existing Wiltshire Police budgets and that no further funding will come from the Government to fund this rise, which is disappointing and I continue to lobby the Government for fairer funding in Wiltshire.
- **PCSOs** - Last month Wiltshire Police Federation, which represents police officers within the Force, wrote an open letter suggesting that the Force should 'axe PCSOs' and recruit police constables instead. Both the Chief and I strongly refuted this suggestion. We both recognise the key role that PCSOs play in community engagement, intelligence gathering and supporting the most vulnerable. The role of a PCSO is a completely different one to that of a police constable and they play a key role in our community policing teams.
- **Additional police officers** - I was pleased to hear the new Prime Minister's commitment to policing and his promise of 20,000 additional police officers in the next three years. We don't know what this will look like in terms of how many more we will get in Wiltshire but I trust that more detail will soon be forthcoming. I do have some concerns around the practicalities of recruiting so many officers in such a short period of time and it certainly won't happen overnight, with it taking around a year to recruit and train an officer before they're able to go on the beat, but his commitment to strengthening our police forces is welcome nonetheless.

HIGH LEVEL FORCE UPDATES

- **Youth crime** – A Government report into the increase in youth violence has been welcomed by the Force. Chief Constable Kier Pritchard has said that although there hasn't been a significant increase in Wiltshire, it is still a concerning issue for local people. He is calling for a multi-agency approach and focused on the need to engage with young people to help prevent them from falling into a life of crime.
- **Rural crime** – Wiltshire has bucked the national trend when it comes to rural crime, recording a 36% year-on-year drop when it comes to the amount of money this type of crime is costing people in the county. This is believed to be due to the focus our Rural Crime Team has placed on crime prevention advice, including the

encouragement of CCTV, anti-poaching ditches and the installation of GPS trackers on equipment.

- **Domestic abuse** – As part of our Summer Demand campaign, we have been focusing on highlighting the important topic of domestic abuse and making sure victims know how to access the support available. There is also a focus on encouraging friends and neighbours to report concerns to the police.
